**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I reside in Tega Cay and do not want my water and sewage bill to increase.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I do NOT want an increase in water and sewage because I am already paying an outrageous amount. Tega Cay residents pay more for water and sewage than any other communities and cities around, and the quality is the same. They just gave us an 18% increase in 2010 and what for?....I didn't see any changes or improvements. Before the increase in 2010, my water bill was \$60 and then after the increase it shot to \$90. If this 2012 increase goes through, I will be paying almost double, and again I say...what for? Obviously the increase is unreasonable. Don't punish the Tega Cay residents, we've had enough of the unfair increases.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***

No.
